## Financial and Research Report

Since our last issue (January), we have received ten more research reports and have sent the researcher another \$4500. However, with the additional reports, we now owe him \$7,000.

We deeply appreciate your devotion to this project, and your sacrifices to do so. You will be pleased for your efforts, for we're extending many pedigrees.

We owe Giovanni Cena \$7,000 for research completed. Our bank balance is \$220, so we need your tax-deductible donation soon. Thanks for your on-going support.

Please make checks payable to **PFO**, and send to:  
**PFO, 99 So. Sage Dr., Orem UT 84097.**

For a receipt, please include a self-addressed envelope.

## Our Families in San Giovanni

We continue here our notarial records.

*Because so many of the surnames now appear on the pedigrees of our separate PFO families, in this issue we shall present them in alphabetical order. This avoids having to repeat them under each PFO surname. We will also present the extractions by individual volume to simplify the reports.*

Numbers in parentheses indicate the page number in the volume and the date of the act. NOTE: The year attached to the volume number is when the notary deposited the record with the Duke's officers—not necessarily the year in which the original record was

made. Sometimes it is the same year, but often the notary—because he had to pay a fee each time—delayed registering some acts.
