## Annual Financial and Research Report

During 1998, we sent our researcher \$14,000 and received twenty-eight research reports from him. We have only sixteen more reports before finishing the Luserna San Giovanni records themselves. Then we will move to another set of records, all of which will be smaller than the San Giovanni set.

Most importantly, we continue to make a great deal of progress on our pedigrees. Boyd Cardon (Idaho) is compiling Cardon pedigrees, and I compile those for the Malans.

Family members completing temple ordinances report spiritual experiences in representing these people, who were so faithful to the degree of truth they understood at the time.

Losing family members to the plague (there were several epidemics during the time periods covered by these records) and to oppression only caused their faith and determination to increase. We have the privilege of matching that faith and determination.

We owe Giovanni Cena \$1,500 for research completed. Our bank balance is only \$26, so we need your tax-deductible donation soon. Thanks for your on-going support.

Please make checks payable to **PFO**, and send to:

**PFO, 99 So. Sage Dr., Orem UT 84097.**

For a receipt, include a self-addressed envelope.

**Town Councils:** A medieval tradition (stemming from ancient pagan rituals), usually held each spring. Waldensians elected civic representatives then.

## Our Families in San Giovanni

We continue here our notarial records highlights. *Because so many of the surnames appear on the pedigrees of our separate families, we present them in alphabetical order. This avoids having to repeat them. We also present the extractions by separate volume to simplify the reports.*

Numbers in parentheses indicate the page number in the volume and the date of the act. NOTE: The year attached to the volume number is when the notary officially *deposited* the record—not necessarily the year in which the original record was made. Sometimes it is the same year, but often the notary (because he had to pay a fee each time) delayed registering some acts.
