## Cardon MALAN Ancestors

By Boyd L. Cardon and Ron Malan

Following is a list of Cardon Malan Ancestors that extends the Cardon line back three additional generations. Notary Records and Jalla family records allow this extension; the temple work for these ancestors is currently being done.

To determine someone's parents, double the person's own number to get the father's number; add one more to the doubled number to get the mother's number.

1. **Philippe Cardon (our common Cardon ancestor who came to Utah in 1854)**
2. **Jean Cardon**
3. **Anne Jouve**
6. **Daniel Jouve**
7. **Lucie Malan**
14. **Paul Malan**
28. **Sidrac Malan**

### 56. Jean Malan

57. **Ester Bellion** (Piedmont project has her last name as Garcin, this is the last name of her 2nd husband Bartholomeo Garcin; the notary records give her actual maiden name as Bellion)
