

PFO REPORT *Piedmont Families Organization*

Notary Records sent by Giovanni Cena continue to give new names for ordinance work.

By Boyd L. Cardon

With the use of **Adobe Acrobat XI Pro** files of pdf documents can be searched with a global search and identifies the person for which one searches in all of the pdf documents. This simplifies the searching of one pdf file at a time and saves time. I love this way of searching. Using this I have been able to find more of our ancestors of those identified in the earlier PFO Reports.

I invite more of the Waldensian descendants to join in the rescue of our ancestors. There are names of relatives of our ancestors that can be found in the Notary records and that need ordinance work. With careful and consistent searching and prayer one can find, identify and do the ordinance work for these noble people. I invite those who would like to help in this missionary work for those in the spirit world to study the helps on the website www.waldensian.info.
